

Hi, my name is Barbara Lies and I am the First Grade Teacher. I received my Bachelor Degree in Education from Indiana University of South Bend in 1983. Soon after graduation I started my beautiful family. I was very fortunate to be able to stay home with my three children until they started school. My career started at Holy Family in 1991. Holy Family at that time decided our school needed a Pre-School Program. I was given the opportunity and pleasure of starting the program. Then a position opened for a First Grade teacher and I've truly enjoyed working with this age group ever since. Being a First Grade teacher is so rewarding, when you get to experience the joy of a child learning to read. In my free time I enjoy spending time with my husband and two grandchildren. I also enjoy reading, traveling and time with friends.
