

Hi, my name is Marit Kuczanski I have been teaching kindergarten at Holy Family since 1997. I received my Bachelor of Arts degree in Elementary Education at Benedictine University in Illinois. I also received a kindergarten endorsement from Indiana University South Bend. I love teaching kindergarteners especially their enthusiasm and love of learning! My classroom is always a whirlwind of activity since we do lots of hands-on activities. I feel very fortunate in that I am able to help my students learn about God and all the many blessings He gives us. When I'm not teaching I enjoy running, reading books or going for boat rides with my husband.
